CLERGY (45)

Reverend Sir:

The 26th annual appeal of GREATER LOWELL'S COMMUNITY CHEST will take place from October 10th to 24th in this city and seven neighboring towns.

A total of \$237,615 will be needed to make possible the operation of our 16 member services (all listed below) through the whole year of 1950.

Our CHEST organization, like 1300 others in cities from coast to coast, has devoted its quarter-century of existence here to the avoidance of high campaign and administrative costs and to combining many worthy needs into a single all-embracing appeal to the giver.

We would greatly appreciate your espousal of this appeal, and any help you might be able to give it through your announcements, addresses and contacts, particularly on October 9th which is designated as COMMUNITY CHEST SUNDAY. If we can help in any way to provide speakers and/or information to organizations under your direction, please do call upon us.

There is no doubt that the need of our community for that nobler charity which transcends (even though it includes) the giving of alms, can come nearer being met through the unanimous action of all who live, work and worship in this place. May we then, commend as worthy of your support, the fraction of that great work in which our COMMUNITY CHEST is engaged?

Sincerely yours,

James W. Flood
